Details of Complaint:

On June 04/15 and Nov 19/15 Troy Brooks posted.  
slanderous material on his Biblocality website.  
This material is slanderous to me, Barbara May, ARA,  
and various other individuals. In relation to the RC

I have also provided a post from 02/06/13 for more info

I would like to note that I have recently had minor acquaintances approach me wanting to know why Troy Brooks is writing this about me. I am also very concerned that his material is starting to name my son Devin.

I would also like to point out I was not the ARA President when he was banned from the ARA.  
Were there any witnesses to the infraction, if yes could you please state their names

and/or positions:

No - Not applicable to this type of incident

Is there any other documentation to support your allegation? If more space is needed, use a separate sheet and attach.

I have scanned copies of the postings with this Incident report and provided the links to these in the email.
